

Pemberton Mountain Bike Park

1. Skills Loop. Easy. 1.5km :

The flowing Skills Loop provides a range of riding experiences to develop riders abilities including cornering, negotiating technical tight features, log rollovers and rolling jumps. The skills loop trail western section is also the return trail for the jump trails. Located north of the trailhead car park.

2. Railway Run XC Mountain Bike Track Moderate Easy. Multi direction, dual use, riders, trail runners & walkers. 1.85 km

Eastern side of the trailhead next to the railway line embankment. This trail comprises two different sections. Close to the road is hand built trail winding through the trees with tighter turns and narrow lines. The upper section is more open and a faster flow track. The trail loops back at the northern end or there is the option to continue up to Vasse Highway to head into town. Ride in a clockwise direction.

3. Back Track. Easy Fast link trail next to Skills Loop 205 m

4. Pump Hill Uphill: 1500 m Give way to horses & walkers Easy. Mountain bikes Up only with beautiful Karri forest, steady climb with switchbacks. Both directions for walkers, trail runners & horses only.

5. Pinch Track: Easy. 820 m Give way to horses & walkers. Mountain bikes Up only. Beautiful Karri forest and Karri Oak, steady climb with switchbacks. Both directions for walkers, trail runners & horses only.

6. Longshanks. Easy 1020 metres

Pony Express is the code name, heads down hill with lots of chances to push your mate wide on the inside, turn right at the top of the Pumhill Uphill fire trail.

7. Down Dale: : Easy 375 m

Link across Block D. Multi use trail

8. Cool Running: Moderate 1500 m

Cool Running, entry located above the Pemberton Trout Hatchery. This is old school switchbacks on the climb up and lots of berms, rollers and jumps down. Pump on the way down or hammer it and rail the berms and find plenty of air time on your descent.

9. Pemberton Pump Track: Moderate 200m

The Pump Track is a continuous loop ridden without peddling. Series of rollers and berms to build up speed. There are different lines, fun for any level rider to enjoy. Next to the Jump Track

10. Relentless Blue: Moderate 3900 m

The Signature trail of Pemberton Mountain Bike Park. Relentless Blue incorporates the lay of the land in a clockwise direction. The first kilometre is the Hell Mile a hard technical climb.

The western side of the hill is designed as the main climb but has a series of ups and downs with some hard technical elements, a series of turns, rock gardens, log rollovers, sharp uphill and downhill style trail design. The eastern face of the hill is down hill with the wall rides, timber and earth berms & log rollovers.

11. Black & Blue: Moderate 380 m At the very bottom of Relentless Blue before the drop off turn into Black & Blue. This just adds to the single track experience

12. Ankle Biters: Moderate. 410 m Small trail on Block D, get the young ones outside and just ride.

13. Pirate Trail: Moderate 1240 m

Moderate Trail - fast, sweeping trail on the eastern side of Relentless Blue. Commences next to Bloody Mary and finishes above the Relentless Blue "Hell Mile". Hand built

14. Just Because: Moderate. 215 m Two options

At the end of Bloody Mary the track to the right heads up and joins the Link track up to Woodcutters. At the end of Bloody Mary the track straight ahead goes down to the Pemberton Pool.

15. Dropbear Run Moderate 810 m

Tight fast and technical. This is the cornering track. This is a signature trail that is just good value.
