

Welcome to the King Jarrah Walk Trail

18km return

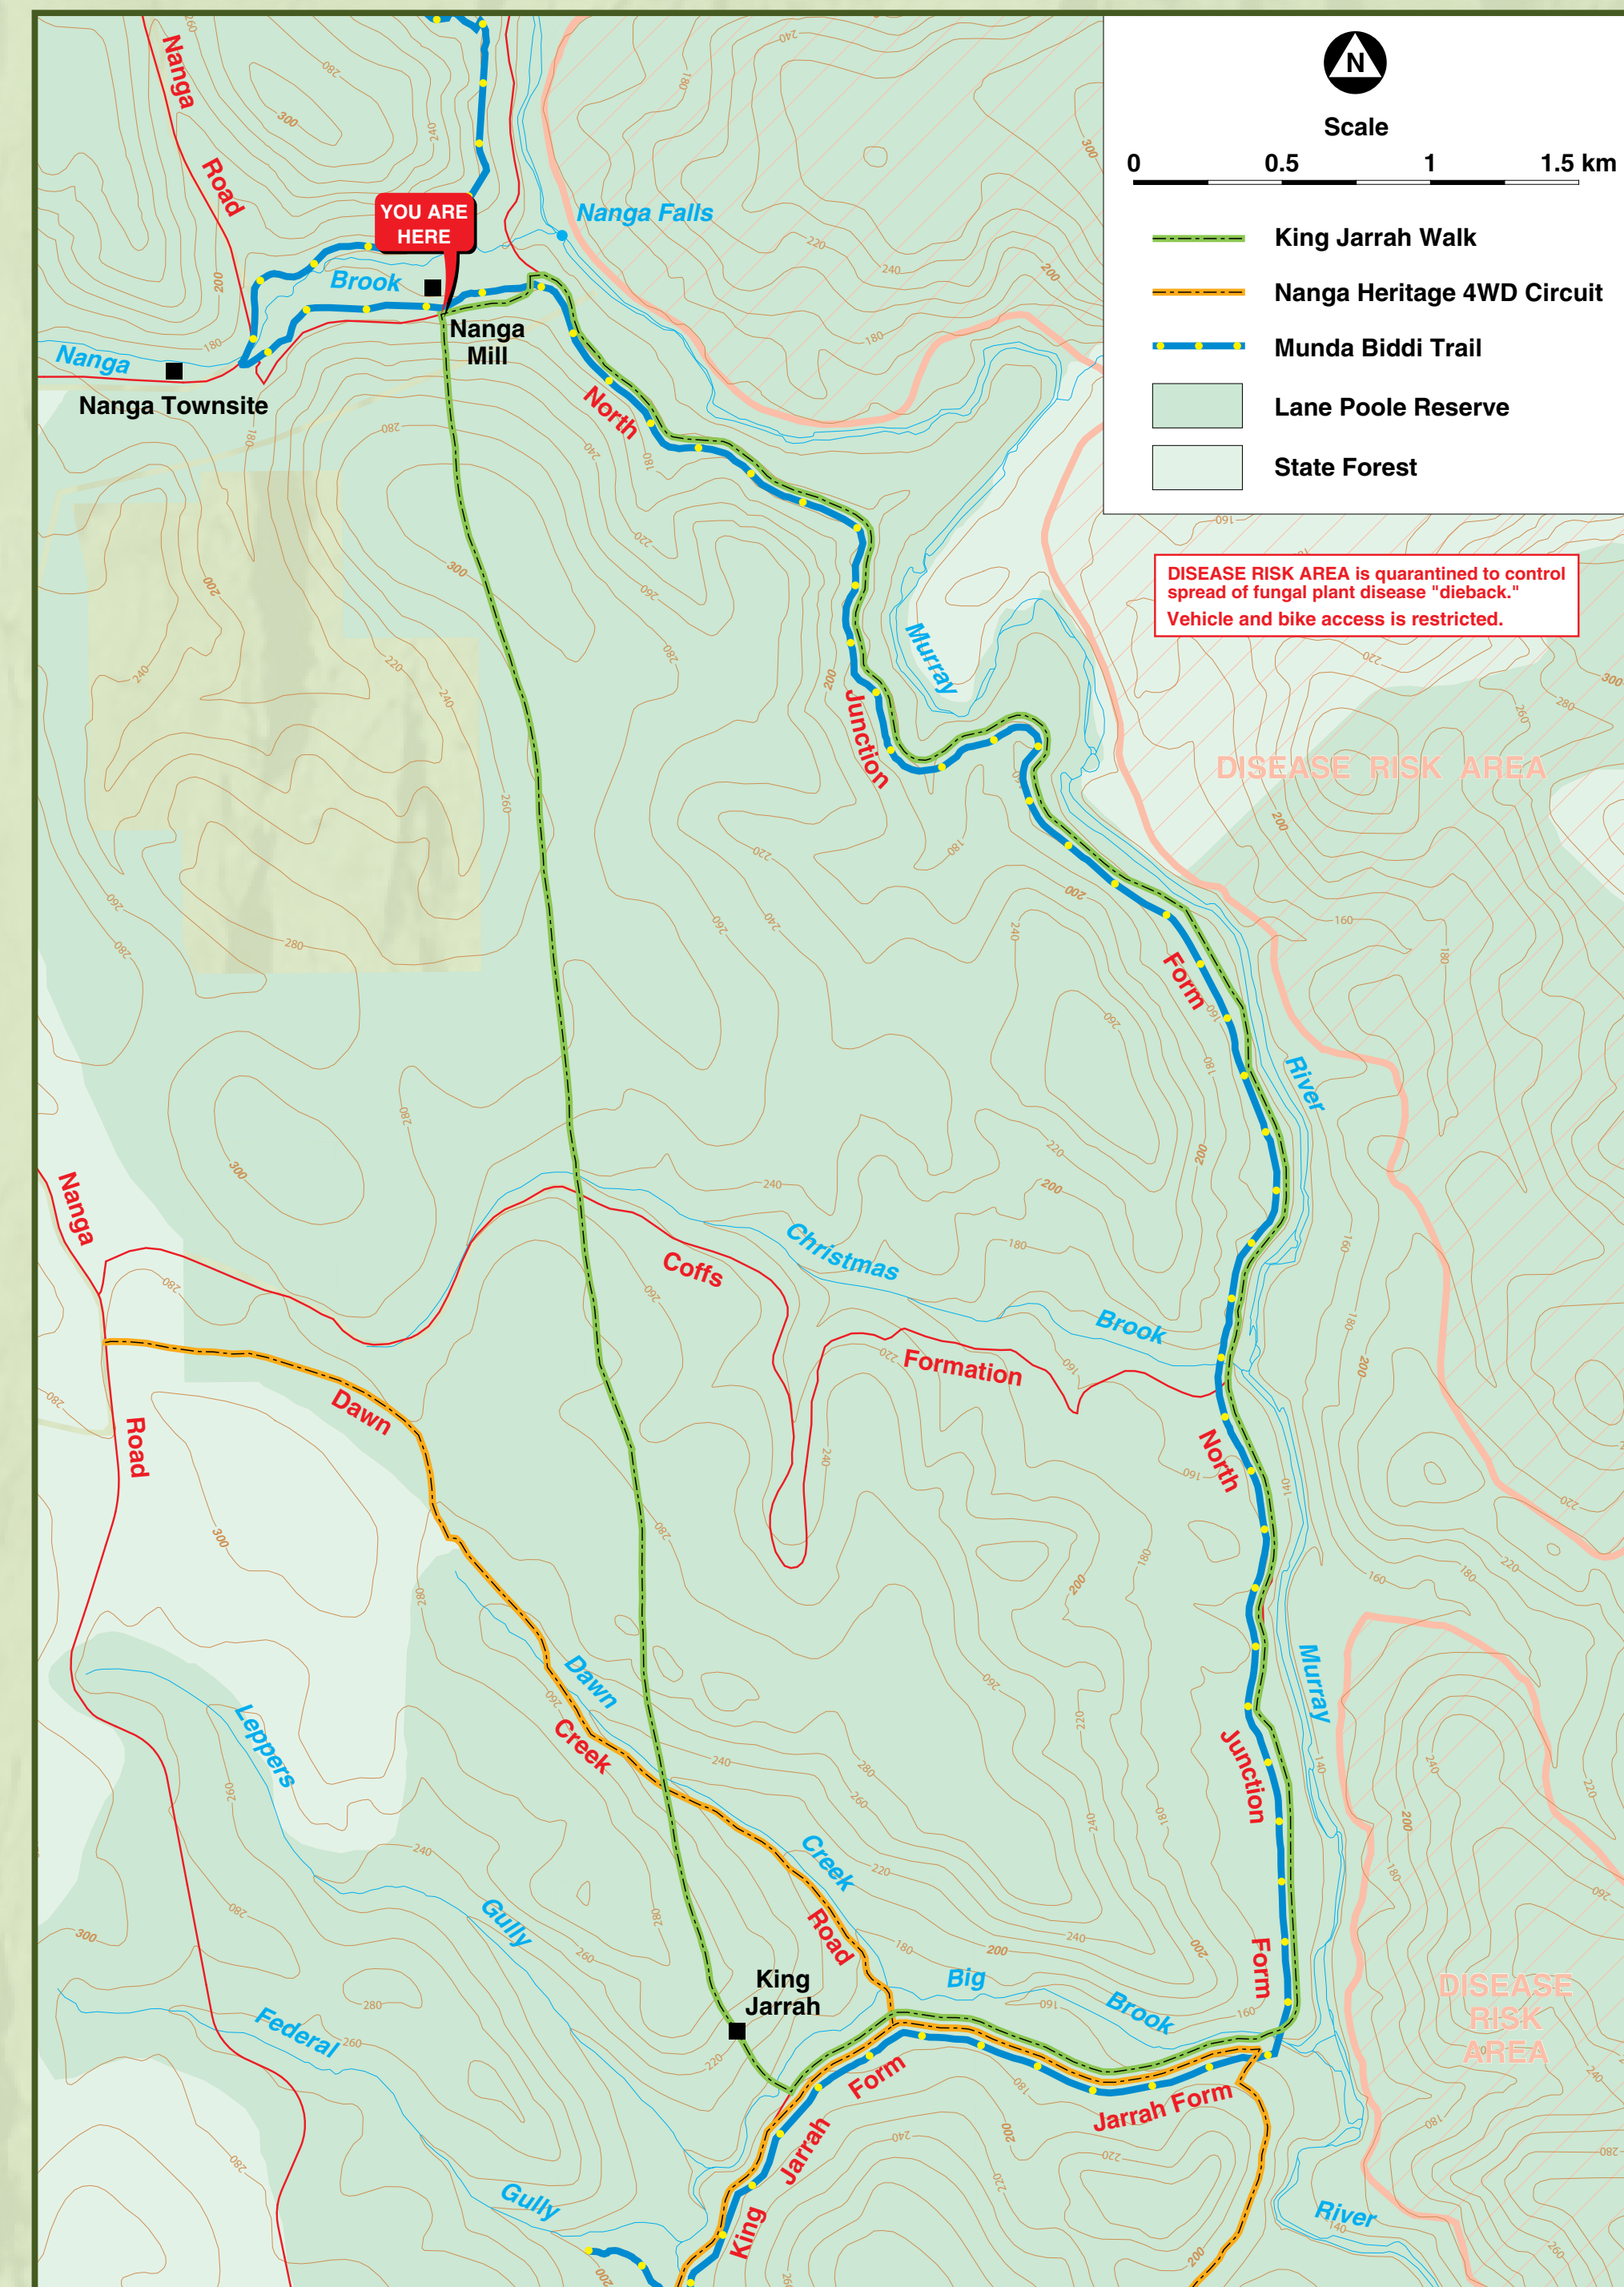

A moderately strenuous walk through the scenic Murray River Valley. Enjoy the jarrah forest with river views along the way. Expect some steep sections on the western side of the trail. The highlight of this walk is the 'King Jarrah', a 250 year old jarrah tree. It is also a short walk to the river from where the trail travels along North Junction Form.

Please be aware of vehicles and bicycles as the trail shares sections of the Munda Biddi Trail and 4WD tracks.

Loose or slippery rocks and uneven surfaces may be encountered.
