WHAT IS THE TRAIL FRIENDLY BUSINESS PROGRAM?

Increase your sales by putting your business in front of 70,000 Western Australian trail users every month with the Trails Friendly Business Program.

The Trail Friendly Business (TFB) Program is an initiative of Trails WA aimed at promoting businesses that offer products and services specific to trail users needs. The program is designed to direct trail users to businesses that offer a warm welcome, provide local information and allow them to restock, refresh and re-energise.

The Trail Friendly Business program is a mutually beneficial relationship for businesses and trail users across Western Australia - by combining WA's exceptional trails with high-quality trail friendly businesses, trail users will have a superior trails experience and businesses will be able to reach their target customers more easily.

The program is designed to complement the walker and cycle friendly business programs developed by the Bibbulmun Track and Munda Biddi Trail Foundations and aims to grow the trails and recreation sector.

WHO CAN BE A TRAIL FRIENDLY BUSINESS?

A Trail Friendly Business is one that has met a set of guidelines to ensure they provide a certain level of services and amenities for trail users.

/

Any entity that owns a trail related product or service within Western Australia is eligible to become a member.
