Wheelchair accessibility on Bidi Bo Djinoong

 Bidi Bo Djinoong

 Alternate accessible route

Bold Park Aquatic via Kulbardi Walk in Bold Park

The Bidi Bo Djinoong includes a 780m section of mainly sealed pathway that is fairly steep where it leaves Kalinda Drive and heads towards the water tower. It includes a couple of additional fairly steep sections heading towards Bold Park Aquatic where the trail ends.

The alternate option is to follow Kalinda Drive north and head east along The Boulevard before entering Bold Park Aquatic from the northern end.

As bicycles are not permitted in Bold Park, please follow this route. Bicycles can be safely locked up at the Aquatic centre allowing one to backtrack the section and enjoy the magnificent views.
